just got easier.**

Experience the power
of **Amplify.**

Transform the **Way You Work**

Amplify's intuitive user-driven experience lets you quickly set up accounts, process benefit distributions, track funds, track and monitor recurring payments.

- Easily set up your Recordkeeper, TPA, or Plan Sponsor account
- Process benefit distributions and track funds
- Track and manage uncashed distribution checks
- Establish Automatic Rollover IRA accounts
- Perform participant address searches
- Access a wide range of PenChecks services
- And more

Simple Benefit Elections for Plan Participants

Amplify's companion web portal – **MyBenefitElection.com** – delivers an intuitive, more engaging experience for plan participants to make their benefit election online and track their distributions. Participants can:

- Submit benefit elections online
- Review their account data
- Select federal and state tax withholdings (where permitted)
- Choose from multiple payment methods
- Track the status of their distributions 24/7

Participants stay up to date on their payment distributions. Plan sponsors receive electronic records of all benefit elections—**Amplify makes it easy.**

Automate your distribution processing with **Amplify.**
